EDUCATION

Bachelor of Science in Information Technology

University of Negros Occidental - Recoletos
Dean's List

2026
Bacolod City
2022-2026

TECHNICAL SKILLS

Languages | Typescript, Javascript, Python, PHP, Java

Frameworks | React, React Native, Expo

Backend & Cloud | Node.js, MySQL, SQL Server, Firebase, Supabase, Google Cloud, Vercel, Cloudflare

Tools | Git, Github, Linux, Figma, CI/CD Basics, REST APIs, Google APIs

WORK EXPERIENCE

grapps.org – Freelance Full-Stacked Developer – Vercel, Google APIs, Cloudflare
University Department, Bacolod City

June – August 2025

- Developed a QR-based attendance system used for 1,600+ students across multiple scanning stations
- Designed and utilized APIs and database schema to support concurrent usage and multi-tenant access
- Implemented role-based access control and automated reporting features
- Reduced manual attendance processing time by approximately 80%

PROJECTS

tanaw.site | Developer - React Native, Expo, Javascript, Supabase

Jan – Dec 2025

- Engineer and deployed a mobile application for climate risk visualization using real-time geospatial data
- Implemented location-based mapping and live data updates using Supabase
- Designed modular architecture enabling real-time hazard reporting and feature expansion
- Integrated AI-assisted reporting to streamline user-submitted incident data

cyberadryx.online | Developer - React, Typescript, Leaflet

October – November 2025

- Built and launched a cybersecurity-focused website to promote digital forensics and cyber awareness.
- Developed educational content on cyber threats, security fundamentals, and system protection strategies.
- Advocated for proactive cybersecurity practices and continuous learning in information security.

HealthMate | Developer - PHP, MySQL, Apache

April – May 2025

- Built a full-stack health records management system using PHP and MySQL
- Designed relational database schemas for patient and medical record storage
- Applied MVC-style architecture to improve maintainability and separation of concerns

ACHIEVEMENTS

Champion - DOST: Brains and Breakthrough Pitching Competition

2025

National Finalist - AFP: Ideathon 2025

2025

Regional Qualifier - DICT: HackForGov Year 04

2025

CERTIFICATIONS

LEVEL 3 - Test Of Practical Competency in IT (TOPCIT)

2026

LEVEL 1 - DICT Proficiency Examination

2025

ORGANIZATION

Google Developer Student Club

2023 – 2024

Technical Associate
